### WORK EXPERIENCE

Co-Founder Fall 2023 – Present

PocketEngineer LLC

- Developed an automated system that parses and stores a company's product spec sheets and manuals.
- Built system to transcribe sales calls and generate LLM RAG product suggestions and product Q&A in real time.

## **Graduate Research Assistant**

Fall 2021 – Present

University of Michigan

- Designed a real-time software privacy film for smartphones, Eye-Shield. Reduced attack rates to 24.24% for images and 15.91% for text, protecting against screen snooping on smartphones. [8]
- Developed various LLM web automation tools and document parsers for auditing data collection activities [4]. Analyzed 47.2k Chrome Web Store extensions [9], 2.9k online trackers [12], and 1.4k cookie banners [2], finding many instances of misleading disclosures and non-compliance.
- Built and evaluated an LLM chatbot integrating personalized product ads, finding users were 19.05% more likely to react positively to products served by GPT-40. [5]

Research Intern Spring 2021 – Fall 2021

University of Wisconsin - Madison

- Researched fairness properties of face recognition systems. [10]
- Created a controller for social robots to preserve conversational privacy. [11]

#### **Undergraduate Research Assistant**

Fall 2018 – Spring 2021

University of Wisconsin - Madison

- Explored using physical invariants from LiDAR to improve ML classifier robustness against adversarial attacks. [14]
- Developed an anti face recognition system using adversarial attacks to protect online photo privacy. [13]

# **Software Engineering Intern**

Summer 2019

**Roblox Corporation** 

- Created core features for Roblox Studio's script editor in a test-driven development setting.
- Developed integrated JavaScript Squish tests for evaluating expected behavior of new UI features.

Optum, UHG

- Designed and developed data visualization application aggregating 50+ million records from security databases.
- Presented project to audience of Optum's executives, directors, security analysts, and interns.
